Operation Care Package

Hundred of thousands of military personnel are serving in far-off places defending the liberties we hold so dear and at the same time are away from their families, friends and the comforts of home. To show these troops that they have not been forgotten and to help boost their morale, the **Whitewater Valley Marine Corps League Auxiliary**, a local non-profit organization, created **OPERATION CARE PACKAGE** for all branches of the service.

Since 2005, the Auxiliary has distributed hundreds of care packages to troops deployed to Afghanistan and Iraq. The care package program is a small token of our appreciation and expression of encouragement to thank our troops for their service and sacrifice.

If you have an interest in sponsoring a collection drive at your business, attached is a list of suggested items and guidelines. A collection drive would be a very rewarding opportunity for your employees to personally contribute to this program.

There are many individuals and businesses alike that want to support our troops, but they do not have the time to shop for items. Donating money that can be used for postage is another excellent way to show your support for our military. Your contribution of any amount would greatly assist the Auxiliary's continuation of **OPERATION CARE PACKAGE**. The Auxiliary typically sends 65 to 100 care packages at one time at **\$10.95** per package, which translates to a range of **\$712 to \$1,095** each time care packages are shipped.

As we thank our American heroes for fighting and protecting our **FREEDOM** and **LIBERTY**, we want to thank you for supporting **OPERATION CARE PACKAGE**. If you have any questions or need further information, please feel free to contact me at (765) 914-0682 or via email at kdparker@woh.rr.com.

We support our troops!

Kim Parker
Senior Vice President and Marine Mom
